Hughes Communication India Limited

Plot No. 1&2, Sector-18, Electronic City, Gurugram, Haryana, India

Hughes Communications India Private Limited (HCIPL) has been independently assessed and found compliant with the requirements of The Hughes Minimum Baseline Network Security Standard (HMB-NSS).

HMB-NSS at HCIPL applies for providing Network Telecommunication services under Unified (ISP-A, NLD, and VSAT-CUG) Authorization of Department of Telecommunication (Govt. of India) from its Gurgaon, Manesar, Hyderabad, Mumbai, Bangalore, and Chennai locations. This is in accordance with documented standard HMB-NSS Ver. 1.0 that is based on basic framework of ISO27001:2013, customized for meeting organizational expectations in Network Security.
